Shipping Instructions:

Please make a copy of the check in list for your records and include a copy in the box with your cartridges when you ship.

Please send with shipping caps. Additional charges will apply if we use our caps.

Shipping to and from Pro Fire is at your expense.

Shipping to us can be with your preferred carrier or you can ship on our carrier account.

Please call to arrange shipping on our account.

Cartridges can only ship ground or motor freight.

Call if you have any other questions regarding shipping or cartridge testing in general.
